Hello Friends!!!

Change!

Everywhere you look things seem to be changing. Change can be good when used to better oneself but change can also be bad when those things become the center of one's attention.

Change is inevitable. It will happen! We can't stop it. We can't control it. We can be mad about it or we can accept it.

BUT GOD—He never changes! "Jesus Christ IS the same yesterday and today and forever." Because He never changes, we can know important unchanging truths about...

Who He is,

What He wants,

How He works,

How He relates to me:

"My God is Still the Same".

The activities will challenge you as you enjoy new ideas making cards; work on one of your own stitching projects; learn techniques in regaining balance as you walk; change things in your house by mastering the use of a power drill or hammer; change your furry friend's behavior through proper pet training; and see lives changed in the book, "Hidden Places".

Come join us for all the opportunities of fellowship and growth as you spend time with like-minded women who center their attention on **"My God is Still the Same!"**

SATURDAY MORNING

Card Making **Loretta Stott** and **Patty Bendorf**

Join this dynamic duo as we create cards to cheer someone else's day! All materials will be supplied. No cost but donations are appreciated!

Crochet, Sip and Stitch Grab a hot or cold beverage, bring your knitting, crocheting, stitching or fave craft and join the card-makers in the conference room. We can share ideas and have a fun morning while working on your current project.

Get Your Balance On!

Are you a wall walker? Do you need furniture to be strategically placed to help you maintain your balance? Are you more off balance when you walk in the dark or on uneven surfaces? Join **Veronica Hache**, PT, C/NDT as she teaches techniques to regain your balance.

SATURDAY AFTERNOON

Women's Work – Redefined

What home remodeling projects baffle you? Are there tools you'd like to know how to use like a hammer or power drill? Is there a small electrical project you'd like to be able to fix? Maybe you have a leaky water hose and want to know how to fix it. **Molly Olshefsky** will walk us through some of these things. If you have a specific concern you need help with, write it on your registration form. Also, feel free to bring photos of trouble areas in your home to share and seek guidance.

Pet Care and Training Hacks

Gain a better understanding of your dogs' and cats' needs, and learn tips for making their care easier, less expensive, and more beneficial. We'll discuss training tips to make your life easier and make your pet happy and healthy! **Jessica Marks** will host.

Critique a Book!

In **Hidden Places**, Eliza's deep yearning for home led her to Wyatt Orchards ten years ago. Now widowed with three young children, she faces mounting debts and the realization it is all up to her. She has no idea how to run an orchard alone. When a stranger appears at her doorstep, Eliza guesses he is no different than the other out of luck characters searching for work during the Depression. But the familiarity with which Gabe tends to the farm raises unanswered questions. With a vulnerable heart, she is drawn to his gentle ways but fears that Gabe hides a past and motives that could jeopardize all she has fought to attain for herself and her children. **Deb Churchill** will host.

Snacks

You are invited to bring your own personal snacks to enjoy throughout the weekend! Beverages will be provided.
