This is my Father's World

EG Ministries, Inc.
presents our **17th** Annual
Women's Get-Away Weekend

Feb. 18-20, 2027
Black Rock Retreat
Maranatha Retreat Center
Quarryville, PA

Greetings

When was the last time you went for a walk in a park or maybe in your own backyard?

Have you looked down at the green grass, or at the flower garden full of brilliant colored roses? Or maybe you are an animal lover. Have you loved on your cat or dog lots recently? Or maybe you went to the zoo or for a drive in the country to see the cows and sheep.

Spring, Winter, Summer, or Fall—which is your favorite?

This world is a beautiful place. God created it to bring glory to His name and to be a place where we may see the reflection of His beauty, power, and magnificence.

Let's spend the weekend enjoying, "This is My Father's World" and unpack what the Bible has to say about this glorious creation. Enjoy some crafts that show us the colors of nature. Go on the prayer walk and thank the Lord for His wondrous works to the children of man.

Praise the Lord, God has once again provided the complete cost for this wonderful weekend (there will be a small fee for some of the activities). Bring your friends, daughters, mothers, and sisters in Christ who will benefit from this encouraging environment. We have plenty of rooms—enough for 150 women.

So, please tell others and register as soon as you can.

I look forward to serving you and enjoying this special weekend together. See you on the Women's Getaway Weekend in February 2027.

Critique a Book 1!

Holy is the Day
In this book, Carolyn Weber reflects on the eternal beauty that lurks within the present. Drawing from literature, history and everyday life, we read a collection of spiritual reflections that trace the way God's ever-renewing grace is a gift of the present. Carolyn gives us new eyes to receive the precious gift of the present and give it away to others. If you are interested in trying to apply her reflections to your life in a journaling series to prepare for our book discussion, we will send out a list of questions to those who sign up for this session. Molly Olshefsky

Critique a Book 2!

Theo of Golden *Allen Levi* A story of giving and receiving, of seeing and being seen, Theo of Golden is an unforgettable novel about the power of generosity, the importance of connection, and the quiet miracles that happen when we choose kindness and wonder. Deb Churchill

Messianic Worship Dance

Let's worship the Lord together, Jewish style, with simple circle dances, using Israeli folk dance steps. Some are very easy; some are a bit more complex. All are fun! No special talent or skill prerequisites! Everyone is welcome! Taught by Diann Parkas of CJF Ministries (Christian Jew Foundation). Diann has a master's degree in Dance and has taught and ministered in dance for more than 40 years.
