## Blessings

An old hymn reminds us that we are to count our blessings and see what God has done. Blessing means God's favor and protection. I see God's favor and protection in this ministry in many ways. I'm counting those blessings this year.

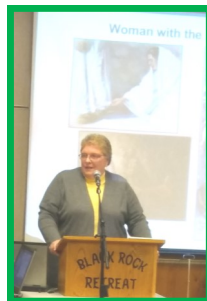

Blessings...interacting on Monday nights with my 15 to 20 Conquerors (9th-12th graders).

Blessings...having fun with the girls and staff at summer camp.

Blessings...studying and fellowshiping with women during our Women's Getaway Weekend.

### Thank you!

Thank you for your personal gifts, your encouragement, time you spend with me, your financial support, and your prayers.

My heart is grateful for every expression of love and kindness you have given me.

Thank you!

Blessings...working with my fulltime EG staff.

Blessings...having **YOU** as part of my ministry team. Thanks for your prayers and support. My prayer is for you to have a year of BLESSINGS!!!

JK
