Our God is Able!!!!

I am going to make it personal. **MY GOD IS ABLE** to do the impossible. Several times in the Bible I read that with God nothing is impossible. I thought conducting meetings every week with girls would be impossible to do in any other way than face to face in a room. But **MY GOD IS ABLE TO DO ABUNDANTLY MORE THAN ALL I ASK OR THINK**. Yep. From March through May, I met regularly with my Explorer Girls via Zoom. It was different but nice to see the girls and talk with them every week. We even did a “drive by” on June 1st to celebrate our senior (upper right corner in the picture, Alexys Bedford) who graduated in June.

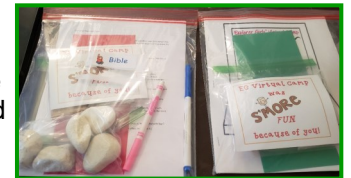

“I will never conduct an EG Virtual Camp. That is not camp.” Those were the words that came out of my mouth in May. However, in June, I decided that if we were to have camp for the girls this summer, it had to be an EG Virtual Camp. **MY GOD IS ABLE TO DO ABUNDANTLY MORE THAN ALL I ASK OR THINK**.

Our camp this year is unique. We begin at 9 AM on Monday morning July 13 and end on Friday evening around 9 PM. And it will all be done on the computer via Zoom. There is a staff of 22 women serving 42 campers. The girls are attending from GA, NJ, DE, and various locations in PA. The staff will be joining us from AZ, DE, NY, MI, and PA. There are 9 counselors, 9 activity leaders, vesper speakers, and several helpers. The girls are excited. I am hearing that statement from parents and even from the girls.

We have 7 Junior Leaders who are involved in our leadership training program. They began their training in February and since the middle of June have been meeting every week via Zoom in order to get all of their requirements completed that they would normally get on location during our one week of camp. They are a good group of girls who are going through this “different” way to be trained with a wonderful attitude and smiles on their faces.

Staff, girls, activities, plans, supplies for camp...it has all come together in the EG office where we have been busy putting together everything that is needed for the week so that we can get the items out to the girls before we begin on July 13.

MY GOD IS ABLE TO DO ABUNDANTLY MORE THAN ALL I ASK OR THINK. I am watching this happen in all that we are doing with camp. We even have new campers who have never gone to camp with us before.

Pray for us as we move forward in this new venture. Pray for no storms all over the USA during the week of July 13-17 so that everyone's internet will operate and not be cut off. Pray for all of the girls to hear God's Word clearly. Pray for lives to be changed as they learn about **GOD'S** power that works **ABUNDANTLY MORE THAN THEY COULD EVER ASK OR THINK**.

Every cabin group has a cookie name this year. This is the “Jr. Mint” cabin for the Jr. Leaders.

These are the bags for the girls with all of their supplies in them. Deb is filling the bags.

Every year the girls get a button to represent that year at camp. Here I am making the buttons for this year.
