Wow! No matter how many things you could remember, you know some things about Jesus! That's FANTASTIC!!

Now, take the time to read Jesus' story. It's in 3 pieces to make it easier for you to read. Read 1 part at a time throughout the day. After you read a section, draw a picture or make a few notes in the box to help you remember what you have read.

### 1. Luke 1:26-38

### 2. Matthew 1:18-25

### 3. Luke 2:1-20

Now, look back at the list you made. Was there anything you forgot, but now remember after reading about Jesus' birth?

Jesus' birth is filled with God things: Angels, announcements, a young couple having a baby, dreams, words from God, and more!

We will be looking very closely at the verses you read today (and a few more) to see MANY God-Things revealed in Jesus' "birthday" story.

Before we dig deep, take time to pray today asking God to help you search for His promises, see His plan, and experience His power! God desires to bless those who seek Him. (Matthew 6:33; Psalm 119:2)
